Based on Dabbah's own life and thorough research, as well as the careers of dozens of other successful women, this book will help you fulfill your goals whatever you decide those to be.

Chapter by chapter you'll identify your strengths as well as the areas in which you might need to make adjustments to advance in the professional world. Dabbah will also show you how to break free from any childhood fears or family pressures that may be holding you back. Only when you recognize who you are can you then tap into your passion and personal style and triumph in today's competitive global market.

So go head, slip on those red heels (or flats!) and empower yourself, and other women, by joining the Red Shoe Movement. Only you can walk in your shoes down that shiny path toward success and this book is the perfect companion.
