Named to RetailMeNot's "List of the 23 Must-Read Books of 2019"! Named one of the "Most Popular Books Published in February 2019" by Goodreads!

Izzy White knows of the darkness in this world. After all, she escaped it long ago. Determined not to let her past beat her, Izzy has a secure, stable life with a job she loves in nursing. But one act of kindness will completely upend everything she's so carefully built-putting her right back in the crosshairs of danger she's been so desperate to avoid.

When Theo Kane shows up like a knight in shining armor, Izzy can't help thinking she's been saved from one threat and exposed to another. His imposing physique, the harsh lines of his face, and the wariness of everyone who comes close are just a few clues to Theo Kane's notorious reputation. The man is positively terrifying. But with Izzy, he's tender and a complete gentleman, and her fascination with the mysterious beast of a man becomes too powerful for her to walk away.

As Theo's demons come to light, running becomes even more impossible. And yet staying together could doom them both.

It operates as a reference manual - skim the TOC or index, get the page, and stick to the directions detail by detail. The challenge using these sorts of documents is the fact that user manuals can often become jumbled and hard to understand. And in order to fix this problem, writers can try and employ things I call "go over here" ways to minimize the wordiness and simplify this content. I've found this approach to be extremely ineffective most of the time. Why? Because **gentleman sinner** are considered unsuitable to get flipped through ten times for just one task. That is what online assistance is for.

If you realize your gentleman sinner so overwhelming, you are able to go ahead and take instructions or guides in the manual individually. Select a special feature you wish to give attention to, browse the manual thoroughly, bring your product and execute what the manual is hinting to complete. Understand what the feature does, using it, and don't go jumping to a different cool feature till you have fully explored the actual one.
