O ambiente de alta competição que predomina nos dias de hoje impõe a necessidade de um conhecimento técnico sobre a metodologia da formação de preços de venda e das margens de contribuição. Roberto Assef mostra que a tarefa de precificação não é tão complexa como se imagina. Numa linguagem clara, aborda os aspectos mercadológicos, essenciais para a avaliação da linha de produtos e da concorrência, tributários e financeiros básicos. Esta 4ª edição aborda, essencialmente, a questão tributária; notadamente a que envolve a Substituição tributária do ICMS, com diversos exemplos e simulações. Além disso, alguns conceitos mercadológicos, tão essenciais na formação de preços, foram aprimorados.

It operates as a reference manual - skim the TOC or index, get the page, and stick to the directions detail by detail. The challenge using these sorts of documents is the fact that user manuals can often become jumbled and hard to understand. And in order to fix this problem, writers can try and employ things I call "go over here" ways to minimize the wordiness and simplify this content. I've found this approach to be extremely ineffective most of the time. Why? Because **guia prático de formação de preços** are considered unsuitable to get flipped through ten times for just one task. That is what online assistance is for.

If you realise your guia prático de formação de preços so overwhelming, you are able to go ahead and take instructions or guides in the manual individually.
