Courtney Bishop is as sugary sweet as her famous blueberry muffins.

Southern belle at heart, Cali girl by choice.

She barged into my life and easily became my best friend.

All was great as roommates and just friends, but then I fell for the girl who could chop firewood, deliver baby calves, and bail hay without breaking a sweat.

She's the perfect mixture of sugar and spice, and I love her.

Being more than friends and trying to build our future isn't as easy as it sounds.

Moving forward and creating memories is all I want for us, but when the past continues to come back and haunt me, I'm not so sure she'll stay for the ride.

Loving her is easy, but losing her will break me. Burning passion combined with an undeniable chemistry constantly pushes and pulls us together. In the end, I'll prove we're worth the fight, even when the game is far from over.

Checkmate, sweetheart.

You must read Checkmate: This is Reckless first in the Drew & Courtney duet. Recommend for ages 18+ due to sexual content and adult language.

It operates as a reference manual - skim the TOC or index, get the page, and stick to the directions detail by detail. The challenge using these sorts of documents is the fact that user manuals can often become jumbled and hard to understand. And in order to fix this problem, writers can try and employ things I call "go over here" ways to minimize the wordiness and simplify this content. I've found this approach to be extremely ineffective most of the time. Why? Because **checkmate: this is effortless** are considered unsuitable to get flipped through ten times for just one task. That is what online assistance is for.

If you realize your checkmate: this is effortless so overwhelming, you are able to go ahead and take instructions or guides in the manual individually. Select a special feature you wish to give attention to, browse the manual thoroughly, bring your product and execute what the manual is hinting to complete. Understand what the feature does, using it, and don't go jumping to a different cool feature till you have fully explored the actual one. Working through your owner's manual by doing this assists you to learn everything concerning your digital product the best and most convenient way. By ignoring your digital product manual and not reading it, you limit yourself in taking advantage of your product's features. When you have lost your owner's manual, look at product instructions for downloadable manuals in PDF
