I might be a typical guy, but these last few years, my love life's been anything but. From crazy ex-girlfriends to one night stands who are stage-five clingers, my relationships go bad faster than the milk in your fridge. The only constant has been my best friend Maggie.

Fresh off a bad breakup of her own, I invite Maggie to my guy's skiing weekend knowing she needs an escape from reality. But then something funny starts to happen. I start noticing things about her that I never noticed before.

She's beautiful and doesn't know it, she's funny without even trying, and now she's suddenly single for the first time in forever.

Sharing a hotel room with her proves to be the tipping point in our very platonic friendship. Suddenly I want to put my hands, my mouth, and my ... other parts ... all over her gorgeous body. I want to claim her, make sure no man touches her ever again. But then her groveling ex shows up, and Maggie's torn.

Am I ready to screw up the best relationship I've ever had for a shot at something more?
